Seeking an internship for the period 4/1 2026 to 12/3 2026

Introduction

Are you looking for a dedicated, young intern who loves to code and talk to customers? Then you've found the right one!

My name is Cecilie Schmidt, I'm 23 and I have a passion for multimedia. As you can probably tell by my resume and portfolio, I'm a positive girl with a lively imagination and a happy mood.

But why pick me? Let me tell you...

Nobody like me

My list of experience speaks for itself when it comes to my responsible and sociale nature, however, there are still certain things about me that a list of experience can't explain.

1. I'm a strong coder in React with JavaScript as my main language
2. I'm a social and sharp at collecting data through interviews and implementing user feedback into the UI
3. I'm autistic with OCD which means I can give an input into various accessability areas that most others wouldn't think about
4. I have a diploma from Cambridge English with level C2, which is the highest level

Last before the long list

You can't go wrong with hiring me and I'm looking forward to hearing from you

Skills and experience

Tool box

- React
- JavaScript
- CSS
- HTML
- Figma
- Photoshop
- Supabase
- SPA
- CRUD

Udtalelse vedrørende Cecilie

22/9-2025

Cecilie har i sin ansættelse hos os vist sig som en lærenem, pligtopfyldende og ansvarlig medarbejder. Hun arbejder struktureret, tager ansvar for sine opgaver og har altid udvist en høj grad af samvittighedsfuldhed.

Som kollega bidrager hun positivt til fællesskabet. Hun er hjælpsom, god til at samarbejde og har en humoristisk sans, som gør hende til en værdsat del af teamet.

For at understøtte Cecilies trivsel har vi haft nogle særlige aftaler, som blandt andet har givet hende mulighed for:

- At trække sig tilbage og tage et kort hvil på kontoret ved behov
- At benytte ørepropper, når det har været nødvendigt
- At have sin telefon på sig i tilfælde af angstanfald
- At prioritere kassearbejde i perioder med mange kunder eller ved anfald af angst/migræne
- At friholde vagter på jule- og nytårsaften
- At få flyttet faste vagter ved behov for udredning, psykolog eller støttekontakt
- At være den sidste, der blev spurgt om vagtbytte i perioder, hvor stress og angst har fyldt

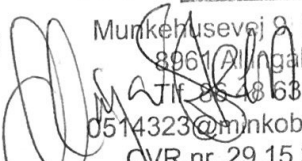

Disse individuelle hensyn har fungeret efter hensigten og har sikret, at Cecilie har kunnet yde sit bedste og samtidig fastholde sit engagement i jobbet.

Vi har haft stor glæde af Cecilie som medarbejder, og jeg giver hende mine bedste anbefalinger med på vejen.

Med venlig hilsen

Maja Steen

Certificate in Advanced English

Statement of Results

Candidate name

Cecilie Schmidt

Place of entry

COPENHAGEN

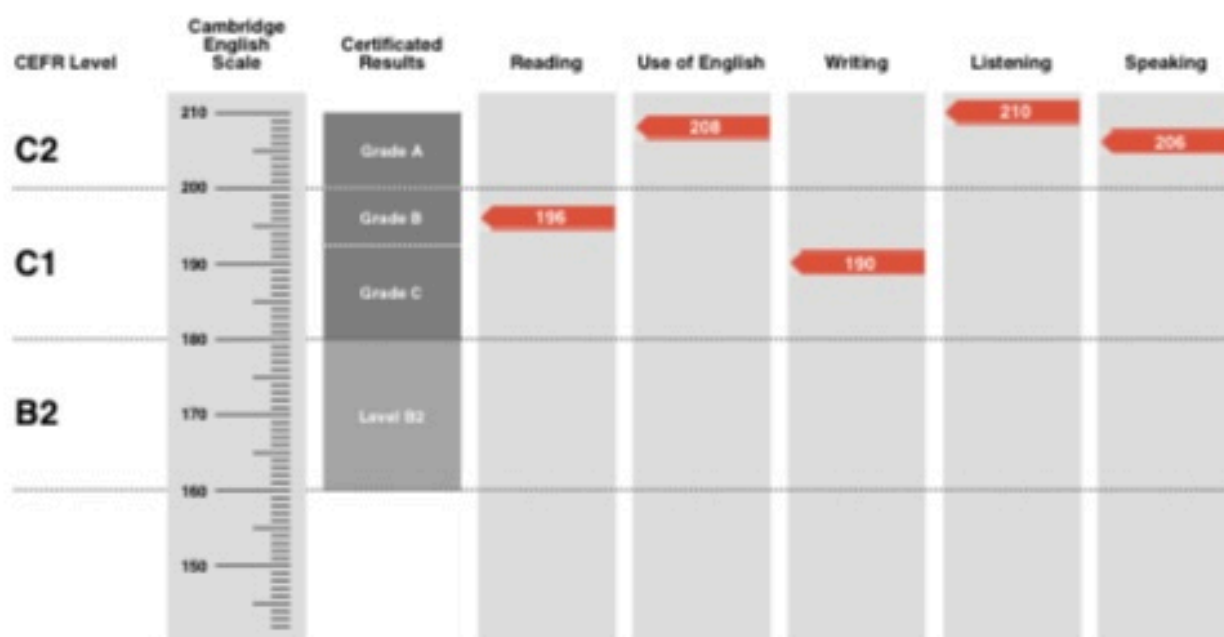

Result

Pass at Grade A

Overall Score

202

CEFR Level

C2

Advanced is an examination targeted at Level C1 in the Council of Europe's Common European Framework of Reference.

Candidates achieving Grade A (between 200 and 210 on the Cambridge English Scale) receive a certificate stating that they have demonstrated ability at Level C2. Candidates achieving Grade B or Grade C (between 180 and 199 on the Cambridge English Scale) receive a certificate at Level C1.

Candidates whose performance is below Level C1, but falls within Level B2 (between 160 and 179 on the Cambridge English Scale), receive a certificate stating that they have demonstrated ability at Level B2.

Examination results can be quickly and securely verified online at: cambridgeenglish.org/verifiers

Results

Score

Pass at Grade A	200 — 210
Pass at Grade B	193 — 199
Pass at Grade C	180 — 192
Level B2	160 — 179

Candidates who take Advanced and score between 142 and 159 on the Cambridge English Scale do not receive a result, CEFR level or certificate.

Cambridge English Scale scores below 142 are not reported for this examination.

Other

- X** - the candidate was absent from part of the examination
- Z** - the candidate was absent from all parts of the examination
- Pending** - a result cannot be issued at present, but will follow in due course
- Withheld** - the candidate should contact their centre for information
- Exempt** - the candidate was not required to sit this part of the examination

DIPLOM

MASTERCLASS

For deltagelse i masterclassen tilbudt af Business Danmark. Denne intensive masterclass omfattede en dybdegående gennemgang af følgende nøgleområder:

Grundlæggende forståelse af Generative AI

Kendskab til de fem dataetiske principper

Forståelse og diskussion af bias i AI

Uddybende kendskab til effektive prompting teknikker

Denne masterclass er designet til at forberede de studerende på de udfordringer og muligheder, der findes i det moderne salgs- og markedsføringslandskab med en særlig vægt på digital innovation og effektiv kommunikation.
